

CELLCLEAN TOWELS

**Bath towels, hand towels
and cloths for short-term
use**

- Environmentally-friendly bath towels, hand towels and dishcloths for short term use
- Soft and cosy products with extra high comfort
- Can be used to dry skin and hair, and also for cleaning and washing up
- Great absorption properties - absorbs around nine times their own weight (DIN54540)
- Meets the requirements for fibre shedding in SS-EN 13795
- Easy to handle, thanks to their light weight and size when folded
- Contains no PVC, latex or phthalates
- Supplied packed in boxes
- Made in Sweden from a high proportion of recyclable raw materials
